WORKSHOP & PERFORMANCE INFORMATION

SPECIAL GUEST

Special Guests

Lodge Yggdrasill

Bio : Our Mission Statement:

"Our magick is done by the deeds of our hands."

Our Lodge has gone through many trials over the past 15 years...making us a stronger "Family."

Lodge, as the name implies, is our home.

Yggdrasill, is the Tree of the Universe upon which We, our Ancestors, and our Gods traverse through time and magick.

We live our lives by a simple code, a philosophy of honour if you will:

'The first time you sit at our table and break bread with us, you are our guest. The second time you sit at our table and break bread with us, and every time thereafter, you are there upon your own merit.' That is to say, that each

member of Lodge Yggdrasill is held accountable for their own actions, words and deeds.

We are not interested in making well-versed ritualists... Instead, we put all of our focus on creating warriors and heroes. We do what is right...not what is popular. We nurture our young and protect our old. We feed the hungry, heal the sick, clean our highways, and pay homage to our veterans...regardless of creed, path or politics.

We carve our own path...like our ancestors did...unified and equal, as we are.

Communication & Ethical Boundaries for Healers

Instructor: Joe Jarvinen

A 101 workshop designed to teach healthy boundaries for healthcare workers and healers. A demonstration on positive communication skills and boundaries that we take for granted. Also, how to change an occupied bed along with 101 healthcare training and discussion on how to be an advocate for the elderly, the sick, and the vulnerable.

The Journey is the destination

Instructor: Tracy

Location: TBA

Description: We start on this path for a reason and through time realize that this is a journey that we have made several choices in along the way. Where we came from. Where we are right now.

And, where we want to go with all of this, is all about the journey.

An open discussion on where we, as magical practitioners, started. Where we gained our faith. Where we have struggled and where we have found fulfillment.

BIO: Tracy Jarvinen is High Priestess and Teacher of Lodge Yggdrasill. She served 9 years on the Tribal Council for Harmony Tribe, who puts on Sacred Harvest Festival in MN. She served on the Board of Directors for Upper Midwest Pagan Alliance. She helped start a charitable donation program known as Adopt-a-Need whose purpose is to let the Greater Twin Cities community learn that we, as pagans, are your neighbors, your teachers, and your bus drivers and we care about our community.

Tracy, along with her husband Joe, were the organizers of Gathering of The Clans. She is a member of the American Vinland Association and is a fundraising supporter of Sacred Paths Center, the first Pagan community center in the country. Tracy and Joe host a teaching circle in their home every other week and are activists for the greater Pagan community.

The Healing Ritual Revealed:

A Healer's Guide

Instructor: Bress G. Nicneven"

Description: What is a Healing Ritual? Why do we heal? Who is qualified to do healings? How do we approach and identify those needing to be healed? Can everyone be healed? Where does the Healing Ritual take place? How much time should be spent on the entire process? How many healers are required to obtain a positive & successful Healing Ritual? Healing energy and it's movement? The process by which the Healing Ritual itself is done.

Bio: Bress was born into the Northern Lighthood Lodge, on the Feast of Sheila-Na-Gig, 1971. He was a initiated under O.A.T.F. as a priest of his people, on Samhain Eve, 1984. On Ancestor Night, 1995, Bress co-founded Lodge Yggdrasill...A candle of his family's oral tradition with a heathen flame.

Bress brings a practical "hands-on" approach to his oral teachings. Combining them with over thirty years of applied knowledge, experience and understanding. "The 'doing' of a thing

is the Light of Wisdom, by which we speak and read. It reveals to us secrets, and unveils the Great Mysteries. So, do you want to do it?! Or, would you rather read about it?
